Dr. Deimel Underwear

BEARS A LABEL WITH THIS TRADE MARK

Many people suffer from a weak skin. They perspire easily and chill easily, cannot bear drafts and are apt to take colds, bronchitis, pneumonia or rheumatism. As a rule they wear woolen underwear; the heavier the garment the weaker the skin.

The Dr. Deimel Underwear of POROUS LINEN is the correct garment for the skin. It gives tone and vigor to it. Under it the skin becomes strong and active, capable of protecting the body against chills and internal congestions.

Investigation Means Investment

BY YOU IN THE

ORO HONDO EXTENSION OF THE GREAT HOMESTAKE LEDGE

AT LEAD, SOUTH DAKOTA.

The Original Investors' Accumulated Profits are the Largest.

The great fortunes that have been made in mines and the large profits on mining stocks by individual holders have been made by those who went in at the beginning and stayed in until the value of their holdings increased many hundred per cent. **THE HOMESTAKE** has never missed a monthly dividend in twenty-five years and has ore blocked out now sufficient to run crushing and cyanide plants night and day for thirty-five years.

Stock Sold for \$2.00. Now \$115.00

Oro Hondo Adjoins Homestake Property

and extends two miles on same ledge, which is 456 feet wide. The indications are that it is as great a property as the Homestake.

The Burlington & Missouri River Railroad passes directly over the property, and is within two hundred feet of the main shaft. The railroad has put in a sidetrack at this point.

With full knowledge of all economical business methods, and with an ore body so extensive that it is practically unlimited, the managers of the Oro Hondo Mining Co. are simply manufacturers on an enormous scale, and with a positively certain market for their product. Mining on purely scientific principles is the surest business in the world. The farmer may have bad crops, the manufacturer overproduction, the business man depression of trade, but the world always buys gold at a fixed price.

An Investment Now at the Opening Price Promises to Largely Increase in Value in a Very Short Time

We earnestly urge that you act at once in buying this stock. The price today is 50 cents a share (par \$1.00), but the price will be advanced from time to time as the development work progresses. The stock we offer is full-paid, non-assessable treasury issue, and is sold for the purpose of developing the property. The fullest particulars will be gladly furnished to every person interested in the property.

We stand back of every statement we make, and particularly request that our correspondents ask for specific information on any point not perfectly clear. Send for book, given to inquirers, containing valuable and interesting information on "Reduction of Gold Ores;" also illustrated prospectus of the Oro Hondo.

The stock will be listed on the leading mining exchanges.

If a number of prospective investors desire to visit the property and verify the conditions existing, as stated in our advertisement, we shall be willing and pleased to personally conduct such a party with **THEIR OWN** expert at our expense. No inconvenience whatsoever would attend such a trip. The finest Pullman accommodations will be provided to within one thousand yards of the main shaft in the city of Lead in sixty hours from New York or Philadelphia and thirty-six hours from Chicago or St. Louis.

The Oro Hondo Mining Co. refers to First National Bank, Denver, Colo.; First National Bank, Lead, South Dakota; Western Bank, Denver, Colo.

SHREDDED WHOLE WHEAT BISCUIT

Shredded Whole Wheat Biscuit is the direct reflection of Nature. It is the whole wheat—nothing added, nothing taken away. It is the NATURAL food intended by Nature for man's use, because it contains *All the Properties in Correct Proportion Necessary to Nourish every Element of the Human Organism.* Man's ignorance as to the uses of the different parts of the wheat was originally accountable for the removal of portions of it in order to make white flour. Custom and habit are accountable for the continuance of this vital error. Faulty bones and teeth, weak bodies and minds are the result of the white flour eating "practice."

Shake off the pale, sickly yoke and nourish every part of your God-given mind and body with NATURAL food—thrust the white bread eating habit firmly aside, be well and strong and "bare do all that may become a man." Sold by all Grocers. Send for "The Vital Question" Cook Book [Free].

WHAT sensations are more agreeable than those following some good, quick exercise, a rub with a rough towel, a scrub with Ivory Soap and a dash of cold water? The nerves are braced, the muscles are hardened, and the man or woman is better able to resist disease and the wearing effects of mental strain.

If the Ivory Soap is not positively essential, it is at least delightfully cleansing, and the beneficial effects of a pure soap constantly used, can hardly be overestimated.

BUFFALO LITHIA WATER In All Forms of Bright's Disease, Albuminuria of Pregnancy, Uric Acid Diathesis, Gout, Rheumatism, Lithæmia, Renal Calculi, and Stone of the Bladder, Etc., Etc.

Dr. George Ben Johnston, Richmond, Va., ex-President Medical Society of Virginia and Professor of Gynecology and Abdominal Surgery, Medical College of Virginia: "IF I WERE ASKED WHAT MINERAL WATER HAS THE WIDEST RANGE OF USEFULNESS, I WOULD UNHESITATINGLY ANSWER BUFFALO LITHIA. It is a most valuable remedy in many obscure and stubborn conditions which, at best, yield slowly, if at all, to drugs. In URIC ACID DIATHESIS, GOUT, RHEUMATISM, LITHÆMIA, and the like, its beneficial effects are prompt and lasting.

"Almost any case of Pyelitis and Cystitis will be alleviated by it and many cured.

"I have had evidence of the undoubted **DISINTEGRATING, SOLVENT, and ELIMINATING POWERS** of this water IN RENAL CALCULUS, and have known its long continued use to **permanently break up the gravel-forming habit.**

"It is an agent of great value in the treatment of the **Albuminuria of Pregnancy**, and is an excellent diuretic in **Scarlatina and Typhoid Fever.** In all forms of **BRIGHT'S DISEASE**, except those **hopelessly advanced**, its good effects are pronounced. I believe it has been the means of prolonging many lives in this trouble."

John V. Shoemaker, M.D., LL.D., Professor of Materia Medica and Therapeutics in the Medico-Chirurgical College of Philadelphia, etc., in the New York Medical Journal, June 22, 1899: "The **BUFFALO LITHIA WATER** is **DOUBLY EFFICIENT** in **Rheumatism and Gout.** It dissolves Uric Acid and Phosphatic sediments, as well as other products difficult of elimination, while at the same time it exerts a moderately stimulant effect upon the renal cells, and thereby facilitates the swift removal of insoluble materials from the body. Without such action insoluble substances will precipitate in the Kidneys and Bladder. The intense suffering produced by **Stone**, together with consecutive **pyelitis and cystitis**, are avoided by prompt elimination. Unquestionably, although the speedy removal of Uric Acid and other products of faulty tissue change is of conspicuous benefit, **yet to PREVENT** their formation is a service still more important. This service is performed by the **BUFFALO LITHIA WATER** when it corrects those digestive failures which are responsible for the production of deleterious materials."

James L. Cabell, M.D., A.M., LL.D., Formerly Professor of Physiology and Surgery in the Medical Department of the University of Virginia, and President of the National Board of Health, says: "**BUFFALO LITHIA WATER** in Uric Acid Diathesis is a well-known therapeutic resource. It should be recognized by the profession as an article of Materia Medica."

Dr. J. W. Mallet, Professor of Chemistry, University of Virginia. (Extract from report of analysis of Calculi discharged by patients under the action of **BUFFALO LITHIA WATER** Spring No. 2):

"It seems on the whole probable that the action of the water is **PRIMARILY and MAINLY** upon **URIC ACID** and the **URATES**, but when these constituents occur along with and as cementing matter to **Phosphatic or Oxalic Calculus materials**, the latter may be so detached and broken down as to disintegrate the Calculus as a whole in these cases, also thus admitting of Urethral discharge."

Spring No. 1 is both a **NERVE** and a **BLOOD TONIC**, and in **PALE, FEEBLE, and ANÆMIC SUBJECTS** is to be preferred. In the **absence** of these symptoms **No. 2** is to be preferred.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally.
